FOR PARTICIPANTS WITH A 2018 RENO SANTA CRAWL CUP

**OPEN CONTAINER LAW:**  
You must finish or empty your glass before leaving each location.

**FIND US:**  
If you see one of Santa's lost reindeer at one of the participating bars, please help Santa by taking pictures with them and posting it to Facebook, Instagram or Twitter with #Renosantacrawl. Everyone that posts pictures will be put on the nice list no matter how naughty you have been.

**NIPPER'S TAB**  
Santa opened a few secret tabs at participating bars! Anyone with a commemorative cup or VIP pass that says "put my drink on Nipper's tab" when ordering will get one drink worth \$5 or less for free.\* Wherever there is a reindeer, you might be at a bar with a Nipper's tab.

\*Tabs are limited to \$100 per secret location. However, at three tab locations, Nipper is giving away free samples of his favorite drinks. These will truly put you in the Christmas spirit.
